

Mechanical Artwork Identification Panel																																								
General Information																																								
Category:	Oral Care																																							
Project Name:	INNOVATION_AURA PGB 225G 150G 120G (INNER BOX & TUBE)_ORAL																																							
Project Classification:	CARE_PEPSODENT_ID																																							
Brand:	Renovation / Relaunch																																							
Variant:	Pepsodent Pencegah Gigi Berlubang _120g_Toothpaste_Carton																																							
Structure Type:	Carton																																							
Pack Size:	120 g																																							
Decorations:	Direct Print																																							
Sourcing Unit/Copacker Name:	N/A																																							
Automation Template Name:	N/A																																							
Category specific requirement:																																								
Countries on Pack:	Indonesia																																							
Technical Information																																								
Printer:	ASTI - PT. ASTI INDOGRAPH																																							
Printer Technology:	Litho - Offset																																							
Substrate Type:	Carton																																							
Basecoat:																																								
Truncation Height:	12.157 Millimeters																																							
Technical Drawing object number:	N/A																																							
Version Control																																								
PMA Job Number:	TR3710490																																							
Packaging Component Material No.:	65445085
